Review “*Witness to Love*” for Free!

[Witness to Love](#) is a powerful new approach to marriage preparation and renewal at the parish level. As a priest/leader/marriage preparation coordinator in a parish, you now have the opportunity to review the program at no cost. We will provide you with a free set of materials that will enable you to review the entire program to see how it could impact your current marriage preparation offering at your parish. What is “*Witness to Love*”?

[Witness to Love](#) is a virtues-based, *Catechumenate* model of marriage renewal and preparation at the parish level that integrates modern principles of psychology and the virtues to help couples facilitate an authentic dialogue about their relationship on a one-on-one couple basis. What makes *Witness to Love* unique is that the engaged couple chooses their own mentor couple. This is a couple they both admire and see as a source of faith formation. This mentor couple gives them a concrete connection and integration into the parish. Through the sharing of the mentor couples’ own marriage journey, the engaged couple inherits a “lifeline” of support in their commitment to Jesus and His Church.
