

The background of the top half of the image is a photograph of the interior of St. Augustine Cathedral. The view is from the entrance looking down the nave towards the altar. The architecture is Gothic, with high vaulted ceilings, pointed arches, and intricate stone carvings. The walls are covered in a repeating geometric pattern. The altar is visible at the end of the nave, flanked by columns and topped with a large stained-glass window. The lighting is warm and dramatic, highlighting the architectural details.

**PLEASE JOIN
